

Dear 2018 Graduate,

Congratulations for completing high school. We know the prospect of the next step in your education can be daunting, both in deciding where to go and how to afford it. The Prescott Area Young Professionals is pleased to offer a \$1,000 scholarship to give you some help financially.

Attached is the scholarship application with the selection criteria. Please complete all parts and return to Ms. Myrna Villa or to the address listed at the bottom of the application.

You will be notified of the committee's selection.

Again, congratulations,

Prescott Area Young Professionals

We appreciate your continued support!
